January 2016

Happy New Year!

IMPORTANT REMINDERS

- **Attend 2-Hour Quarterly Team Training!** If you are not attending Quarterly Team Training, you are missing important updates, training, and the opportunity to be part of a cohesive team that can work together because they have trained together. The training has been honed back to 2 hours, and contains education and exercises every quarter. All quarterly Training applies to the 30 hours needed to renew membership every 4 years. Your team needs you! See the schedule below.
 - **Access KHELPS to add new contact info if it has changed:** <https://kentuckyhelps.com/>
 - **Be sure to notify the Team Coordinator of any changes.**
-

NEWS FROM KCCRB

- **Peer Courses Scheduled. Pastoral Courses coming soon.** See <http://www.kccrb.ky.gov/train/>
 - **SAVE THE DATE: May 20-21, 2016** for the KCCRT Conference! Watch for more Info!
-

THE ART OF RESPONDING

- **TEAM RESPONSE SURVEY – WHY WE USE IT.** There is a quick, 1-page, online response survey we ask all team members to complete every time you go on a response. It can even be done anonymously. This is why it is so important:
 - **Service Quality Control.** We value your opinion. If you feel a response did not go quite the way it should have, we want to know. It is just as important we know when team members have done a great job.
 - **Monitor Team Member Availability.** When a Regional Coordinator or KCCRB Staff contact you to respond, we track that information. We want to make sure you are not being under or over-utilized. To that end, we track who is called for a response, who can or cannot go, and who did or did not return the request call.
 - ⊖ **New members get an opportunity to respond.** When a new member comes on board, they are anxious to get out in the field and help with a response. We know the field experience is the best teacher for what we do. We try to invite 1 new team member on every response, when appropriate. KCCRB shares the number of responses in each region under Regional News, Response Stats in the newsletter (see below).
 - ⊖ **Ensuring all teams have the training needed to respond.** If we receive feedback that identifies issues with team members understanding the interventions differently, then it lets us know additional training is in order.
 - **You can access the Response Survey and complete it on a recent response at:** <http://goo.gl/forms/uckZsUyQIQ> or on the [Team Resource Page](#).
