If you are not sure we can be of service, call for a free consultation.

The Kentucky Community Crisis Response Board (KCCRB) is a state resource that ensures organized, rapid and effective crisis intervention response in the aftermath of crisis and disaster.

The KCCRB recruits, trains, credentials and maintains a team of professionals and paraprofessionals to provide crisis intervention response services statewide.

Free services are provided to support your community:

- First Responders - *Fire/EMS, Law Enforcement, Search & Rescue, Forestry, Fish & Wildlife, Emergency Management*
- Survivors & family members
- School faculty, staff, children
- Support for shelter occupants and volunteers
- Business/Industry
- Community agencies & organizations

BEFORE THE INCIDENT

Pre-incident Preparedness:

- Organizational Consultation
- Education
- Training (*free & fee-based*)

DURING THE INCIDENT

Identify need for KCCRB Assessment Team *This should occur within the first hours of the incident.*

- How many citizens are involved?
- How many first responders are involved?
- What geographical area has been impacted?
- Were there injuries or fatalities?
- What other agencies/organizations are currently responding?
- Who will be the point of contact for KCCRB team?

How to activate the Kentucky Community Response Team (KCCRT)

The person calling must be an authorized representative of the agency requesting services.

- Call KCCRB directly
(502) 607-5781

24 Hour Toll Free Number
(888) 522-7228

- Request through State Emergency Operations Center (SEOC)
800-255-2587
- Request through Web EOC

NEXT STEPS

KCCRB staff will communicate with the requesting individual to obtain detailed information and collaboratively develop a strategic plan to meet the needs of the specific critical incident.

KCCRB staff will then contact the KCCRT Regional Team Coordinator and authorize deployment of a response team to provide identified services.
