NEWS FROM KCCRB

- **Surviving the Snow.**
  We hope you survived the snow and are faring well with the extra water now. As always, it is important to be prepared for what may come our way. Did you have the supplies you needed? Did you get stuck on the road and have your emergency supplies with you? Send us your story of being prepared and how it helped you.

- **We are always recruiting for new members.** Please contact Jocelyn Baldor to refer any friends or co-workers to the team.

RESPONSE ETIQUETTE

- **The Automated K-HELPS System – Do We Still Use It?**

Short answer – Yes.

All of our team members are registered in K-HELPS, which is the Kentucky Health Emergency Listing of Professionals for Surge program. The Kentucky Department for Public Health (KDPH) established the (K HELPS) web-based online registration system developed to facilitate health and medical response through identification, credentialing, and deployment of Kentuckians willing to serve in emergency, as well as non-emergency situations. Everyone in the Kentucky Emergency Support Function 8 (ESF-8) is registered in K-HELPS.

When is the last time you visited K-HELPS? Please take time to go to: https://www.kentuckyhelps.com/ and sign in. Verify your contact info is correct, check messages, and make sure you can access K-HELPS in the event of a call out for a large-scale or disaster event. We exercise this program a few times a year. It is very important that you participate in those exercises so we have a realistic view of team availability should a real world incident exist.

What about when the message is unclear on the automated call? KHELPS sends a message to your primary phone and your email. On some occasions, we will send it to your secondary phone. In addition, the message is also in your K-HELPS account in the message tab.

You can expect to get a call from KHELPS for a large exercise or a real world event!

TRAINING INFO

CRISIS INTERVENTION TRAINING

Group and Individual Crisis Intervention Courses are required for Level 2.
If you took either of these classes prior to 2010, it is time to take a refresher.
