

THE ART OF RESPONDING

PREPAREDNESS FOR THE NEW YEAR!

As we begin 2017, it would be prudent to do a Preparedness Check. How prepared are you for whatever shows up? Do this checklist and then access the Links for each point. There may be things you have not considered and it could save you lots of headaches and even money if you take the extra steps to be prepared.

Remember that our team members can only respond if they are prepared to respond and aren't saddled with thoughts and fears of necessities being in place.

- Cybercrime Preparedness** - Are you protected against phishing, identity theft, malware, spam, . . .

- Winter Weather & Preparedness** - Do you and family members have emergency supplies in vehicles? What about your pets? Does your family know what to do if you are called away? Do you have a contact that will check on your pet?
